Kitchens, Bathrooms and Utilities:

Professional cleaning for the three most important rooms in your home.

Your Kitchen and Utility Room sparkling clean:

The kitchen is probably the most important room in any home and it gets its fair share of abuse on a daily basis. even something as simple as preparing breakfast leaves it mark in one way or another.

Why not let The Little Cleaning Company take the strain of keeping your kitchen sparkling clean. We can deep clean your oven, your fridge, your freezer etc and stay on top of those other chores like sanitising your microwave, the sink, de-scaling the taps and anything else you can think of.

Our quality cleaners will work to a schedule that has been designed by you, so even though you are not doing the cleaning yourself, you have complete control over the work carried out.

**Sparkling Kitchens and
Utility Rooms**

Bathrooms kept shiny, sanitised and smelling fresh:

The Bathroom is another area that gets daily use and can start to suffer very quickly if cleaning is not possible.

Every aspect of the bathroom clean is completed with the utmost attention to detail, making sure that your mirrored surfaces are spotless and streak free, your tiling and grout lines are as clean and white as they can possibly be. We will sanitise the whole area, paying particular attention to the WC and basin area's, so you can rest assured your bathroom is clean and safe.

We are here to help. Just give us a call NOW on Cheltenham 01242 221803

Whatever your requirements we are confident of being able to provide professional cleaning services at very competitive rates. Why not call us now and get a FREE no obligation quotation.
